The Phoenix Admin Dashboard & WebApp Template is a comprehensive solution for e-commerce businesses. It features a clean, modern interface with a sidebar navigation menu. The main dashboard includes several key sections: a top summary with 'Ecommerce Dashboard' and 'Total orders' (16,247), 'New customers' (356), and 'Total sells' (57 new orders, 5 orders on hold, 15 products out of stock). A large line chart shows 'Total sells' over time. Below this, there's a 'Latest reviews' section with a table of customer feedback. The template also includes various widgets for 'Top coupons', 'Paying vs non paying', and 'Market share'. A 'Bootstrap 5' badge is visible in the bottom left corner of the dashboard preview.
