Description Reviews (0) Discussions (0)

Celestial is a [free admin dashboard template](#) with a flat design concept. This Admin Panel is a clean bootstrap template with a plain and bold admin template for work status that includes many user interface elements for web applications and widgets. Celestial Admin is a fully [responsive admin dashboard](#) template built with **Bootstrap 4 Framework, HTML5, and CSS3**. Moreover, this admin panel has a huge collection of reusable UI components integrated with the latest jQuery plugins. It can be used for all web applications like custom admin panel, application backend, CMS.

Free Responsive Bootstrap 4 Admin Dashboard Template

Besides, it is equipped with a collection of ready-to-use code snippets and utilities, custom pages, a collection of UI components, and some useful widgets. This bundle has many fine features like a **collapsible navigation bar, sticky top navigation bar, different types of charts, dropdown menu bar, form elements, UI elements, material design icons, and many more**. You'll save a lot of time because it's not built

from the ground up, and you can quickly tweak it to match your individual needs. Try this professional-looking Celestial admin dashboard for your projects and create a stunning admin panel for your website.
