Description Reviews (0) Discussions (0)

Genius is a **free Bootstrap HTML5 responsive education website template** for educational institutes like school, college, university, online course, e-learning, etc. It has a highly adaptive and flexible web design that pleases all your needs and requirements. , In addition, it is **fully responsive** and optimized for all browsers.

Free Bootstrap 4 HTML5 Responsive Education Website Template

You can employ this wonderful web canvas in the best possible light out of the box, or you can shape it up. On top of that, compelling features like **hero header**, **sticky navigation**, **call to action button**, **modal video player**, **counters**, **testimonials** are packed in the bundle.

Overall, Genius is a powerful site skin to get your project rolling with and take it to the moon!
