Description   Reviews (0)   Discussions (0)

Edumark is a free Bootstrap 4 **HTML5** education website template. It is **fully responsive** and optimized for all the latest browsers. Stylish design with a clean, minimal, and simple look made it an eye-catchy theme. Moreover, it looks faultless on any device, whether it is a big or small handheld device.

Free Bootstrap 4 HTML5 Education Website Template

Edumark is a perfect choice for school, college, university, or other similar organizations websites. **Gradient style and custom illustrations** are part of the high-level graphics options it is coming with. Besides, **hero header, sticky navigation, drop-down menu, modal login form, call to action button**, and a whole lot more are encompassed inside the bundle. Create a website with Edumark to avail a striking site.
