Description   Reviews (0)   Discussions (0)

Breeze Admin is a vibrant free Bootstrap 4 admin template. The design of the template is bright and eye-catching while the remaining designs are minimal and attractive. It is also well-crafted, with all of the components being neatly planned. Moreover, this free HTML5 admin template is **100% responsive and fully compatible** with all browsers and devices. Breeze Admin is packed with all of the features that you could require. You can use this dashboard template as your admin panels, e-commerce systems, project management systems, CMS, or CRM.

Free Bootstrap 4 Responsive Admin Dashboard Template

Besides, Breeze admin includes many up-to-date features like **a collapsible navigation sidebar, fixed top navigation bar, dropdown menu bar, basic UI elements, different types of tables, a variety of charts, documentation**, and many more. It has a clean and well-commented code that makes it super easy to work with the template, and it can be customized to suit your requirements. You will be able to

save a significant amount of time because it doesn't require starting from scratch. So, start your dream project with Breeze; it is a complete package to boost your project.
